

HANGAR SPACE DEVELOPMENT
REQUEST FOR INTENT
LANDMARK AVIATION
CHARLOTTESVILLE, VIRGINIA

Landmark Aviation in Charlottesville Va. is seeking the interest of aircraft operators and owners in its desire to development a new corporate aviation hangar space adjacent to the current FBO terminal. We are anticipating the hangar size to be between 18,000 and 23,500 square feet with appropriate tail height clearance for large corporate aircraft. The development of this hangar will be based on responses received.

All interested parties are requested to submit a letter of interest by September 30th 2010 to:
